STUNT ROCK: really political, well produced super emotional maximum terror breaks l.p.

side A:::

TRACK ONE::::
intro(here is a man who sat down)

TRACK TWO::::
anyone who names a track "so&so can kiss my such&such ass" can kiss my (adjective) (noun) ass.

TRACK THREE::::
if i would have opened w/ a noise track everyone would think i'm tough, right?

TRACK FOUR::::
i cant wait till this road turns to two lanes so i can pass this stupid fucker.

TRACK FIVE::::
i cant believe i ate you out

TRACK SIX::::
intro/sample/build/sample /breaks//effects/sample/ slowerbreaks/sample/end

bleeders anonymous

side B:::

TRACK ONE::::
intro/two(the days go on and on)

TRACK TWO::::
i'm sick & tired of acting even remotely interested in what you're talking about

TRACK THREE::::
really harsh noisy breaks don't cover up for lack of talent, or do they?

TRACK FOUR::::
theres no selling out if you never bought in.

TRACK FIVE::::
all the baggy pants in the world wont change the fact that you're one ugly bitch

TRACK SIX::::
you'll be there for me when it's convenient for you.
